From the Director's

A successful Community Day in November, complete with the addition of a 5k run and 1.5 mile fun run/walk, was our last event in 2018. As we approach the mid-point of the academic calendar (how could that be?!) the Foundation is geared up for an active 2019!

Wildcat Night is February 22 (see side bar). On March 4, the Foundation governing board will convene for the very important task of reviewing mini-grant applications and make funding recommendations for the 2019 — '20 school year. On the docket are 47 applications and \$113,389 in requested funds! Shortly thereafter, we will release the Mechanicsburg Club/Wildcat Foundation Scholarship Application (all MASH seniors, who plan to further their education at a two or four year college, or trade school, are invited to apply), plan for the 10th Annual Golf Outing in August, and start it all over again.

We hope you will join as at one of our events and invite you to learn more at www.wildcatfoundation.org.

Thanks!

Holly Rider Laufer,
MASH '81
