

## Foundation News

October, 2019

### *From the Director's Desk*

The Wildcat Foundation kicked off the 2019/'20 school year with our **10th Annual Golf Outing**. August 16 attracted 120 golfers to Range End Golf Club. Thanks to our presenting sponsor, [Crabtree, Rohrbach and Associates—Architects](#), and the many sponsors, donors, and players who helped to make this a successful annual venture. The foundation reserves the Friday before school starts for this event, so pencil in 8/14/20 and 8/21/20 (we'll confirm the date when the school calendar is approved).

Next up is our [Community Day on November 9, 2019](#). Use the link to register as a vendor or to reserve your spot for the Road and Trail 5k run (or 1.5 mile fun run/walk).

*Why the emphasis on fundraising events??*  
The Foundation raises money to give it away! Annually, the foundation awards between \$60,000-\$90,000 to support vital programs and projects not typically included in the district's budget. When you support the Foundation, you're supporting our schools, our teachers, and our students. Thank you for that.
