Total	\$68,098

Program Testimonial

Driver's Education Simulator Program

The grant from The Wildcat Foundation supported the purchase of two classroom Driving Simulators to be used in conjunction with the MASH Driver Education Program. They will allow every 10th grade student in the District to experience driving in all types of weather and physical conditions without experiencing any of the real danger associated with these environments. Doug Erney states, "As the main Driving Instructor for the District, I am really excited to get the program started and can't thank The Wildcat Foundation and all its supporters enough for giving our kids this great opportunity to experience this state-of-the-art technology."

Thanks!

Your donations make these programs possible. Thank you for your continued support!

What's New?

Capital Campaign Kickoff

We recently kicked off a \$2.49 million dollar Capital Campaign. Pledges received to date are close to \$1 million dollars. Please visit our website at www.wildcatfoundation.org to learn more about our worthy cause....

How does my donation make a difference?

The Foundation has identified the following proposed programs for funding through the Capital Campaign:

Academic \$1,390,000

- Technology Enhanced Classrooms
- T.V. & Film Production Studio
- Environmental Classroom
- Community Wellness Initiative
- New Academic Programs
- Educational Opportunity Fund

Cultural/Fine Arts \$100,000

- Create Programs that celebrate the cultural diversity and promote an environment of acceptance. Also develop programs that will advance fine arts.

Athletic \$900,000

- Synthetic Turf at Memorial Stadium - Will allow increased use by high school and youth sports, band competitions, community events and expanded District opportunities.
- Northside soccer complex improvements

Endowment Fund \$100,000

- Strengthen the endowment fund and advance Wildcat Foundation sustainability for future needs.

A frequently asked question is "Why should I contribute to the Capital Campaign when I already pay school taxes?" The Wildcat Foundation helps supplement the educational mission and capital improvements of the school district, where our tax dollars fall short.

Mission Statement

The mission of The Wildcat Foundation is to strengthen the educational, cultural, wellness, and athletic programs for the students and residents of the Mechanicsburg Area School District.

Volunteers Needed

Volunteers are needed for our Wildcat Gala. Anyone interested should contact Carole Bruce.

Special Thanks

See inside this newsletter for a special thanks to all the financial donors who have made The Wildcat Foundation a success.
