

Wildcat Foundation

Strengthening our Schools and Community

FOUNDATION IMPACT REPORT

On March 25, in response to covid, and the district's reaction with their provision of food for our students, the Wildcat Foundation opened a giving portal on our website. This portal remained open through the end of May. In just over two months, we received donations of \$25,555 from 120 donors.

Thank you! Your gifts, both large and small, are important and appreciated. Your financial support provides the means necessary to purchase bulk food items to supplement those generously donated by our community. Funds are also used to purchase educational and enrichment items to help our students during this time. Your donations allowed us to buy books, and journals, sidewalk chalk, dry erase boards, crayons, and much more, distributed through the Wildcat Pack program.

Our thanks to so many, for your kind and generous support!

Since March 18, MASD has distributed in excess of 90,000 grab 'n go meals, and over 9,000 weekend Wildcat Packs.

July 31, 2020

Sponsors and golfers, please register by 8.7.20

Building the Future *Together!*

Sensitive to covid restrictions and the safety of our community, the foundation paused the long-overdue and anticipated construction and renovation projects at Memorial Park Stadium. With safety measures in place, we began pre-construction work in mid-July and hope to make significant building progress by the end of 2020! To complete the project debt free, we still need donor support. Donations may be made, and you can view project information and status on our campaign [website](#). When complete, this project will have an impact our students and shared community!

Mechanicsburg Club/Wildcat Foundation Scholarships Awarded

While senior awards night was a virtual event this year, still we were able to impact the future for 2020 graduates! Thanks to an endowment established by the Mechanicsburg Club, four, \$4000 scholarships were again awarded.

Congratulations to our most recent MASH alum and scholarship recipients:

Brando Aristy * Morgan Bathgate * Maxwell Hahn * Grace Wiedman
