GRANT FUNDING AND EITC

A PROGRAM THAT BENEFITS BUSINESSES, INDIVIDUALS, THE WILDCAT FOUNDATION AND ALL MASD STUDENTS

In March of this year, volunteers reviewed 38 grant applications for the 2023/2024 academic year. Nearly all were recommended to receive funds in full or in part. Grant funds will impact every student, k-12, enrolled in the District. Visit www.wildcatfoundation.org/grants/ for a complete list of approved programs. The application for the 2024/2025 school year will be available this fall.

The Foundation is particularly interested in new or innovative programs that might not (yet) be considered for inclusion in the District's operating budget.

Our annual appeal and events such as this golf outing and Wildcat Foundation Night provide funds that support our grant making process. In addition, the Wildcat Foundation is approved by Pennsylvania's Department of Community and Economic Development (DCED) as an Educational Improvement Tax Credit/Educational Improvement Organization (**EITC/EIO**). Qualified businesses and individuals can make charitable donations to the Wildcat Foundation in lieu of certain PA tax liabilities. Visit this DCED site to learn more and qualify: dced.pa.gov/download/educational-improvement-tax-credit-program-eitc-guidelines/?wpdmdl=84406.

The Foundation has eleven (11) programs approved to receive your EITC support. Additional information about how the Foundation uses EITC funds to support our schools and students can be found at www.wildcatfoundation.org/donate/eitc-investors/.

Established in 1998, **The Wildcat Foundation's** mission is fulfilled in the work of hundreds of volunteers, past and present.

The Foundation was founded with seven, non-permanent board members and a 1999, end of year treasury balance of \$2,706.

We grew under the leadership of board presidents Judge Christopher Conner, Don Farinelli, Jim Voltz, Steve Butz, Alan Wirt, Dr. Ranny Singiser, Gary Weber, Rich Heeter, John Duggan, Ben Ried, Nathan McWilliams, and current president, Jonathan Boles.

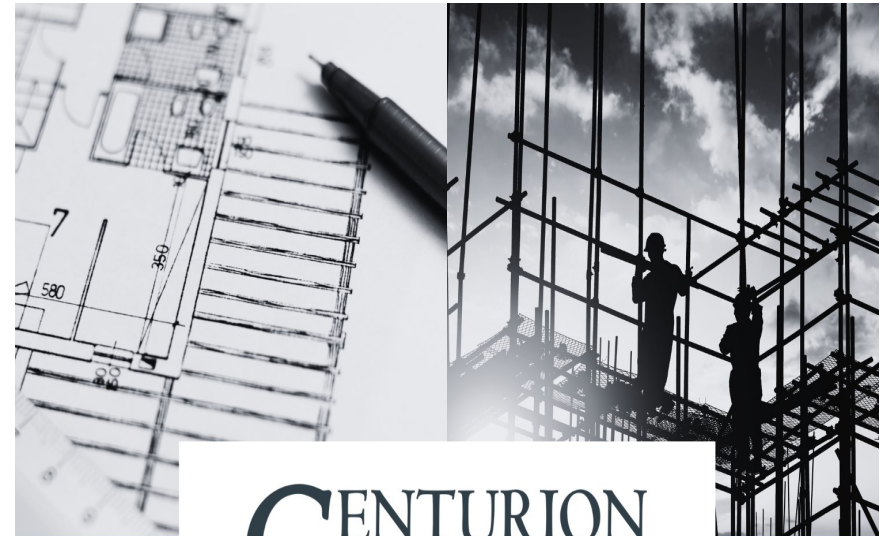

Today, we enjoy a full complement of 21 diverse board members and 2022 year end assets of \$2,719,804 (includes operating funds, designated and undesignated fund!

The Foundation's first grant making year was 2001. Since then, we have awarded nearly \$2 million in program grants that support our MASD learning community, and 43 MASH seniors have received scholarships totaling \$174,050!

With volunteer and donor support, we have completed successful capital campaigns to construct the Trails and Trees Environmental Center, soccer fields and stadium seating at Northside Elementary School, install the first turf field at John H. Frederick Field, and make other, significant improvements to Memorial Park Stadium, including the recently completed Rich Lichtel Field House.

Without **YOU**, and so many that came before, we would not enjoy the success we have. With **YOU**, and so many more who will lead us forward, the future of The Wildcat Foundation is bright.
